At our AGM meeting at 6.30 pm, our General Meeting will feature renowned avian vet Dr Ron Woodhead. He will be happy to advise on any management or health issues that might arise in your aviary.

On the 10th March members of our club are invited to join the fellow enthusiasts of the Sunshine Coast Budgerigar Association for dinner in Nambour. The next day is their annual show. Please enter birds in this show as the Sunshine Coast is a small club that struggles to attract enough entries to justify a show. Even if you cannot attend in person, arrangements can be made to transport your entries on your behalf.
