Your Committee is working on revamping many of the club's activities so they are more appealing to, and beneficial of, the members:

- Some monthly meetings will be combined with weekend aviary visits to allow members to experience other members' involvement in our hobby. Any member willing to host a visit can discuss possible dates with any Committee member.
- A revised auction in April to attract higher quality birds. Hopefully this will provide an opportunity for our members to acquire birds from the country's most successful breeders. Most of us need to purchase one or two top shelf birds to take our studs to a more competitive level.
- Guest speakers at our General meetings.

Thank you for our outgoing 2017 WRBS Committee
