Information of Nestfeathers:

Nestfeather: Appropriate years rung bird. Aged between approx. six to twelve weeks of age that is not displaying the following features:

Broken Nest Feather

Disqualification clauses as per adult birds apply together with:

- Solid Iris Ring where present in the variety coupled with adult coloured cere
- or Pin feathers in the cap
- or Visible adult feather in any part of the bird
- or Missing flights

Once out of Nestfeather then at approx. **5-6mths** need to go into **Juvenile**, if they have adult features. i.e. Full adult plumage, iris ring where applicable, adult cere colour. Not to be confused with an in between stage bird that has to wait for these features. If you are in doubt contact one of your club members.
